IV. STATEMENT OF CLAIM

(State here as briefly as possible the FACTS of your case. Describe how EACH defendant is involved. Include also the names of other persons involved, dates and places. DO NOT give any legal arguments or cite any cases or statutes. If you intend to allege a number of related claims, number and set forth each claim in a separate paragraph. Use as much space as you need. Attach extra sheets, if necessary.)

Sergeant Ribbons told me to fill out a 5-1C Form and put  
the names of the gang members on it and should would take

it to Chief Whalenburg to get me put on PCPI and he did <sup>CO/</sup>Taylor who works visitation gave me a drug screen I passed so he took me to medical then they sent me to AC-113 on PCPI. Unit Manager Mrs. Williams came to my cell and asked me if I RCA'd or PCPI, I told her Chief Whalenburg put me on PCPI so I filled out my 3<sup>rd</sup> S-1C Form. She told me Sergeant Ribbons never turned in the paperwork and on 2-2-20 before <sup>CO/</sup>Taylor escorted me out of the Pod between 7:15 to 9:00 P.M. I saw Sergeant Ribbons on top walk talking to two (2) of the Cripts who threatened me she even pointed at me I am sure you can still look at the footage on the cameras in Building C Pod C and you will see I am telling the truth. I have kept putting S-1C Forms in but they never gave me a hearing on the first one (PC hearing) and they will not give me one even after Sergeant Ribbons was told by 3 other inmates that the Cripts was going to stab me if I was still in the cell with one of them or if I was even on the compound because I wouldn't pay them \$50.00 for rent for the cell I was in, so they keep writing me up for RCA and is trying to push me back onto the compound they are not and hardly ever do follow their policies. They have pushed a few other guys back out onto <sup>4</sup>the compound and they ended up getting stuck look this prison up on the Internet (a computer) tell in all the books they put guys in on this prison

V. RELIEF

(State BRIEFLY exactly what you want this Court to do for you. Make NO legal arguments.

Cite NO cases or statutes.)

By police since my life was threatened they should have put me on P.C. but they stated they don't house P.C.s at this prison anymore and there are some in A Building Pod A. I can't go back out on the compound if I do the Crips are going to stab me to death I also have Factor's 8 & 9 blood disorder, clogging factors when I bleed it can be like a water fountain.

I (We) hereby certify under penalty of perjury that the above complaint is true to the best of my (our) information, knowledge and belief.

Signed this Anthony J. J. J. day of April 23<sup>rd</sup>, 2020.

To Whom It  
May Concern,

4-23-20

I have given you all the information in my last letter even a copy of the 5-1C I just filled out. I am a 50 year old man how can I protect myself against young gang bangers (gang members) especially when they plan on sticking me with knives. Most of the people I listed on page 3 III Parties laugh and joke about it, I tell them what was said was going to happen if I go back out on the compound.

Their police CCA, FDOC, and Federal police are all the same and in clear about what they are suppose to do if someone knows and tells them (even other inmates) they are suppose to put you on P.C. but like most of them tell you here they run however they want to and they get away with it.

They keep trying to force me to go back out onto the compound, a couple of them even remarked if something happened to me they just clean up the mess and they would have a open bed for someone else. So they keep writing me up for RCH every 20 days because I won't go back out on the compound, because if I do I'd just be better off hanging myself in my cell.

I hope and pray that you understand the situation I am in and what would happen to

2<sup>th</sup>

me if I was to go back out onto the compound, like I said look this prison up on the Internet (a computer) then maybe you'll also see better what happens and how they run this prison. I've been indigent for over 60 days after 30 days police says they have to give you an Indigent Hygiene and a Indigent Writing pack containing soap, shampoo, ~~to~~ deodorant, toothpaste, tooth brush, stamps envelopes, writing paper, envelopes, etc.), but they don't. I have seen them go get a hygiene kit for gang members who order commissary nearly every week just so they can order all food and drink products.

I'm hoping that some way you can help me out. I can't fight those young gang members plus if they stick me with a knife no matter where on my body I have factor 8 & 9 blood disorder (clogging factors) I would bleed out they wouldn't be able to save me or stop the bleeding.

I hope to get a good response back from you, I'm sending you receipts of my trust fund account from 8/15/2019 up to 2/26/2020. Its receipts I have saved they wouldn't give me another new copy off my trust fund account even after I told them why I needed it and the officers back here told me if I had to get copies of my inmate account and have it signed by a authorized officer or even a Notary Public I had to go back out onto the compound then they just laughed at me.

Sincerely  
Anthony Hecceg

Since I am 50 years old and in prison it really doesn't matter what happens to me!
